

## **SNUGTOP HAS TOYOTA TUNDRA COVERED WITH GB SPORT CAPS**

The innovative new GB Sport cap from Snugtop is now available for third generation (2014 to present) Toyota Tundra pickups equipped with 5.5' and 6.5' beds.

With a contemporary design exclusive to Snugtop, the GB Sport truck cap features scalloped side windows that compliment the Toyota's lines and a subtle rear spoiler with a built in LED brake light. The all-glass side windows pop-out at the rear for added convenience, while the curved tailgate is also glass.

As with all Snugtop caps, the GB Sport features key reinforcements and is covered by a Lifetime Structural Warranty. Painted to match Toyota factory colors using Axalta's Chromapremier® system, it's also backed by a Lifetime Finish Warranty.

There are many front window and tailgate lock options. For details visit [www.snugtop.com](http://www.snugtop.com). Founded in 1959, the Long Beach, CA based company is celebrating its 60<sup>th</sup> year in business this year.
